This year, the Danbury Police Department and CityCenter Danbury are planning a 5k road race that will happen on the parade course immediately before the start of the parade. This year's race proceeds will benefit The Wounded Warrior Project and the Danbury Downtown Council's programming.

Tens of thousands of service men and women have been injured, many of them suffering traumatic brain injuries, amputations, and severe burns, which will retire them from service. WWP provides programs and services, such as benefits counseling, family assistance, internships and much more,
